Fax: (586) 731-5550

Phoenix Machinery Movers has been a full-service company for 29+ years providing knowledgeable and professional services for all your commercial and industrial needs.

We at Phoenix pride ourselves on building lasting relationships with our customers by adapting to their company's growth and needs. We provide a large range of mechanical, electrical, HVAC, rigging, and machine repair services of just about any size. If you need help with existing equipment or planning on adding new equipment to your plant we can assist in unloading, setting in place, installing utilities, and setting up a preventive maintenance program to avoid failure and costly unplanned downtime.

**RIGGING-** EQUIPMENT RELOCATION WITHIN THE PLANT OR TRANSPORTED AND SET UP AT ANOTHER LOCATION DOWN THE STREET OR OTHER SIDE OF THE WORLD.
